3rd CALL FOR PAPERS/PARTICIPATION

The Computing Society of the Philippines (CSP) invites you to submit papers and participate in the 14th Philippine Computing Science Congress (PCSC 2014). The CSP organizes this conference to enable local and neighboring computing educators, researchers, ICT professionals, and students to interact and to share their work in computing, computer science, computer engineering, computational science, and information and communications technology (ICT). The conference features special lectures by prominent researchers and educators in the field of information and communications technology (including computing, computer science, computer engineering, computational science, and related disciplines). It also features contributed research papers on computing and ICT. PCSC2014 is hosted by the University of the Immaculate Conception, Davao City.

CONFERENCE TOPICS :

Cellular Automata	Simulation	High Performance
Computer Science Education	E-Commerce	Computing/Parallel Computation
Internet Technologies	Neural Network	New Challenges (BioInformatics, Heuristics, P-Systems, Quantum Computations)
Genetic Algorithms	Computer Architecture	Other relevant topics in computer science, computational science and ICT
Computer Simulation	E-Learning	
Mathematical Modeling	Software Engineering	
Computational Science	Computer Applications	
Database and Information Systems	E-Based Communities	
Networking	Theoretical Computer Science	
Computational Modeling and	Computer Engineering	

CONFERENCE COMMITTEE:

Henry Adorna, PhD – Conference Chair (ha@dcs.upd.edu.ph), University of the Philippines, Diliman
 Allan Sioson, PhD – Program Committee Chair (allan@adnu.edu.ph), Ateneo de Naga University
 Randy Gamboa, PhD – Local Organizer (rsgamboa@gmail.com), University of Southeastern Philippines

IMPORTANT DATES

Submissions of Full Paper :	JANUARY 13, 2014
Notification of Acceptance:	FEBRUARY 17, 2014
Submission of Revised Paper:	FEBRUARY 24, 2014
Conference Date:	MARCH 6 to 8, 2014

PAPER CONTRIBUTIONS AND PROCEEDINGS

Contributed papers should be written in English and must follow the formatting guidelines based on the ACM Template for SIG. These papers will be peer-reviewed, and if accepted, these will be published in the Electronic Proceedings of the 14th Philippine Computing Science Congress (PCSC 2014). Simultaneous submission of papers or previously submitted paper to any other conference with published proceedings are not allowed.

Contributed full paper must be submitted electronically to Easy Chair Submission

CONFERENCE SITE

Davao City is located in Mindanao and is the fourth most populous city in the Philippines. It had a population of 1,449,296 as per 2010 NSO Census data. It has a total land area of 2,444 square km and is the largest city in the Philippines in terms of land area. It is the main hub for trade, commerce, and industry of Mindanao and the regional center for Davao Region.

The University of Immaculate Conception is a private University run by the Religious of the Virgin Mary (RVM) in Davao City. It started as a parochial school in 1905 offering primary and intermediate courses. In 1948, collegiate courses were offered. In May 1, 1992, after forty five years of continuous improvements, DECS granted the school the University status. From then on, the school took the name "University of Immaculate Conception."
